

The PMI PPRC Value Proposition

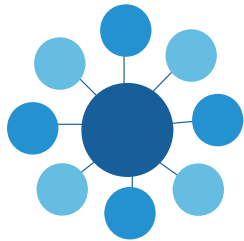

Future Growth: **15.7 million** Project Manager positions will be added globally by 2020; **6.2 million** just in the United States. There are more than **700,000** PMI members in the U.S., with more than 750+ PMI PPRC members in the Pike's Peak region.

Global Reach: More than **2.9 million** PM professionals work in nearly every country in the world providing global advocacy, collaboration, education and research.

Proven Value: PMP credential holders deliver tangible benefits to operations and profitability including speed of implementation, reduction of waste, and improved project results. PMI Certification is growing **rapidly**.

Industry Impact: Project Management spans all industries. **Primary hubs** for future Project Management growth will be in manufacturing, healthcare, business services, finance and insurance, oil and gas, information services, construction and utilities.

***Celebrating 20 years of professional excellence.
We invite you to be a part of this movement!***
